

INO

International Organoid Contest Association

CONTEST

THE INTERNATIONAL COMPETITION IN THE FIELD OF ORGANOIDS

(FOR STUDENTS PREPARING
ENGINEER / MASTER'S DEGREE)

DEADLINE :

20 APR 2019

<http://inocontest.eu>

**ARE YOU A TEACHER / PROFESSOR
AT MASTER'S LEVEL (M1/M2) ?**

MOTIVATE STUDENTS

Autonomy and Initiative are rewarded through prizes and communication

INCREASE SKILLS

INOContest can be integrated as a new pedagogical project to evaluate new skills on organoid technologies

INCREASE VISIBILITY

"INOContest" label can increase the attractivity of your master's degree

Be part of a transdisciplinary network of Master's degrees

- Regular meetings with the INOContest network
- Communication towards and between students will increase the international visibility of your Master's program
- Being "INOContest labeled" could increase the international attractivity of your degree
- Obtain sponsorship and assistance from industries working in the organoid field

How can we help?

- We can assist you in finding partners
- We will provide documentation for the students (fundraising, presentation...)
- Participation is a boost for the professional insertion of your students
- Organizers are members of AVIESAN
